Base High Table

"I wanted the table to have its own character but not be imposing. The design aim was to reduce the table to its archetypal form. The functional simplicity of Base is supported by behind-the-scenes technology to create a slim, lightweight and strong table. At the same time, Base is friendly and welcoming in the way it looks. The result is a versatile metal frame table that can be extended into a very large conference table or just as easily used as a simple dining room table."

— Mika Tolvanen

Designed by	Mika Tolvanen
About the Designer	Mika Tolvanen is part of the Finnish Rehti Design group. After graduating from the Royal College of Art with a Master in design in 2001, Mika established his own design office in Helsinki. He has since worked with some of the world's top designers and manufacturers.
Environment	Indoor
Country of Production	Denmark
Description	The Base High Table references the heritage of Scandinavian design through its simple frame and subtle details. With its design harking back to the essence of a table, the Base High Table comes with either a veneer edge for a touch of Scandinavian materiality or an edge in ABS for a monochrome appearance, paired with the elegant shapes of its table top and frame. Use the design in any workplace, educational institution or hospitality space for notes of Scandinavian simplicity.
Material	The tabletop is made of plywood with either laminate, linoleum, or oak veneer surface and a water-based lacquer. Plywood or ABS edges. Frame and legs in powder-coated aluminum. Oak Veneer: Slight color variations may reflect the material's natural characteristics. Powder-Coated Aluminum: Aluminum's malleability makes it ideal for intricate, durable designs, offering a light, airy touch to robust constructions. Laminate: The laminate used in our designs is partly made from melamine resin, one of the hardest synthetically produced organic materials that can make a surface highly resistant to scratches and natural wear.
Cleaning & Care	Clean with a damp cloth. If necessary, only use a mild detergent or washing-up liquid, and not concentrate. Always wipe with a dry cloth afterward. To minimize the risk of stains and marks, liquid, grease, etc., should be removed immediately. For linoleum versions, linoleum care is recommended for optimum saturation of the natural material 2-3 times a year. It is recommended that linoleum versions be cleaned with a damp cloth and a pH-neutral cleaner and wiped dry to remove any residues. ABS: ABS is a common thermoplastic polymer. Within our collection, ABS is used on the edges of tables for an elegant expression with durable character.
Spare Parts	Adjustable set screws as well as a cable management system is sold seperately.
Additional Information	The Base High Table with castors allows for easy movement of the design to support the agile and evolving needs of the modern workplace. Available as made-to-order in matching color for Black and White bases. All four castors can be locked. The Base High Table with pre-mounted castors has the same total height as the version without castors. The castors are recommended for hard (wooden) floors and hard carpets only. Other color combinations are available upon request.

Base High Table

Dimensions

Base High Table - 160 X 50 H: 95 CM / 63 X 19.7 H: 37.4"

Length:	160 cm / 63"
Height:	95 cm / 37.4"
Width:	50 cm / 19.7"

Base High Table - 160 X 50 H: 105 CM / 63 X 19.7 H: 41.3"

Length:	160 cm / 63"
Height:	105 cm / 41.3"
Width:	50 cm / 19.7"

Base High Table - 160 x 80 H: 95 CM / 63 x 31.5 H: 37.4"

Length:	160 cm / 63"
Height:	95 cm / 37.4"
Width:	80 cm / 31.5"

Base High Table - 160 X 80 H: 105 CM / 63 X 31.5 H: 41.3"

Length:	160 cm / 63"
Height:	105 cm / 41.3"
Width:	80 cm / 31.5"

Base High Table - 190 X 50 H: 95 CM / 74.8 X 19.7 H: 37.4"

Length:	190 cm / 74.8"
