# FORMA

Nesting tables of solid oak with a surprisingly practical feature. The three tables slide effortlessly under each other and lock, so you can easily lift all three tables at once just by holding the top table. Position the tables in a shape that suits your particular decor. The possibilities are countless.

## PRODUCT DESCRIPTION

Nesting tables are great space savers, and the light construction makes the tables easy to move around when you have guests over. The forma tables can form a myriad of different shapes that allow for creativity. The three tables slide effortlessly under each other and lock, so you can easily lift all three tables at once just by holding the top table.

## DESIGN

Forma is the result of a design collaboration between Esben Pilgaard Jørgensen from Pilgaard Design Studio and Mikkel Vandborg from Designbydane.

## TABLE TOP

Solid oak, oiled

## LEGS

Solid oak, oiled

## FRAME

Black powder-coated steel

## WARRANTY

A 2-year warranty period starts as soon as you receive your goods. If the product turns out to be faulty (materials and workmanship) you are entitled to make a complaint. If your claim is approved Bent Hansen will repair, replace, reduce the price or give you a refund.

Wear, tear and damage to the product are not covered under this warranty. Claims from end users under the warranty must be submitted to the vendor from whom the product was purchased. All measurements are indicative.

Without undue delay you must inform Bent Hansen of discovering a fault, otherwise you may lose your right to the warranty.

## ENVIRONMENTAL PRODUCT INFORMATION

### MATERIALS

// Table top  
Solid oak, oiled.

// Legs  
Solid oak, oiled.

// Frame  
Black powder-coated steel.

### PACKAGING

Forma is delivered in a practical flatpack.  
Forma is shipped in cardboard. All packaging material can be recycled.

### DISPOSAL & REUSE

The tables can easily be disassembled to recycle the individual parts in the best possible way.

Check local regulations for recycling in your area and whether there is potential for reuse.
