Plan Wood Table

Designed By Edward Barber & Jay Osgerby, 2025

With its clean expression and honest materials, the Plan Wood Table integrates naturally into the Plan Collection. The fixed-size table is a simple four-legged design suited to smaller spaces or needs, functioning as a dining table, a home-office solution, or an intimate meeting table. The base is crafted from solid wood, while the tabletop is available in a range of materials, including solid oak, offering a warm and functional character. The table can be equipped with cable management, allowing cables to run discreetly through the leg, finished with a lid in black metal or surplus core leather. A timeless and versatile table that unites functionality with our strong heritage of wood craftsmanship.
