

Bent Hansen®

INVERSE

Inverse coffee table is made from texture-coated steel and is available in two different heights to fit perfectly in your home. Inverse coffee tables are all about contrasts. Sharp edges meet soft curves, and the tables' paper thin profiles stand in exciting contrast to the heavy weight of solid steel.

PRODUCT DESCRIPTION

The table's delicate table top and legs contrast with the experience of heaviness, stability and durability that hits you when you feel the quality of the material.

DESIGN

Inverse is designed by the recognized Danish design duo Steffensen & Würtz.

“We found the inspiration for Inverse in bridges with sharply defined arches. The curve between the table legs and the table top frames your view and reveals interesting geometrics depending on the spectator's point of view.”

– Steffensen & Würtz

WARRANTY

A 2-year warranty period starts as soon as you receive your goods. If the product turns out to be faulty (materials and workmanship) you are entitled to make a complaint. If your claim is approved Bent Hansen will repair, replace, reduce the price or give you a refund.

Wear, tear and damage to the product are not covered under this warranty. Claims from end users under the warranty must be submitted to the vendor from whom the product was purchased. All measurements are indicative.

Without undue delay you must inform Bent Hansen of discovering a fault, otherwise you may lose your right to the warranty.

ENVIRONMENTAL PRODUCT INFORMATION

MATERIALS

// Table top
Steel.

// Legs
Steel.

PACKAGING
