# GRID CABINET

Please make sure that the cabinet is correct assembled before usage.  
Use the adjustable feet to level the furniture.

To avoid furniture tip-over accidents please secure the furniture to the wall using at least 8 cm long screws and correct dowels. Don't overload the furniture and the shelves.

Clean the cabinet using warm soap water and dry with a soft cloth. Please do not use any chemicals to clean the steel.

Please be careful when placing objects on the cabinet to avoid damaging the surface. The Grid Cabinet is heavy, so please don't handle it alone. Carefully arrange the cabinet with the help of another person to prevent scratching the floor, the product or injuring yourself.

Don't sit or stand on the Grid Cabinet!

Max load capacity 8 kg pr. shelf.
