OUTLINE DESK

Please make sure that the furniture is correct assembled before usage.

The Outline Desk is made of stainless steel and oiled solid oak. Please note that wood is a living material changing imperceptibly over time. All wood reacts to sunlight, humidity, temperature and can vary slightly in grain pattern and coloration.

Use only warm soap water when cleaning the table top, drawer boxes or steel frame. Use a hard wrung cloth and dry immediately with a soft dry cloth.

Be careful when placing objects on or in the furniture to avoid damaging the surface. Please arrange the table carefully to prevent scratches on the floor.

Do not overload the furniture, as it could bend the frame. Please do not stand on the furniture!
