

NJP FLOOR

The fixture provides direct glare-free horizontal light while reflecting some of the light through the rear of the head, illuminating the top of the arm. The ergonomic design of the fixture head shapes the light and gives optimal light direction. A simple mechanical system provides great freedom of movement, so the light can always be set in the ideal position in the workspace. The shade is painted white on the inside, reflecting comfortable diffused light.

nendo

In 2002 Oki Sato founded nendo design studio. nendo means 'clay' in Japanese – or more specifically, modelling clay such as plasticine. A unique material that makes it easy to do creative modelling.

Product info

Mounting

6' Cord with plug. Switch: High/low/off button on the fixture head. Timer function: 4 hours or 8 hours. LED driver: Separate, plugs into power outlet.

Finish

White, Black or Light Aluminium Grey, powder coated.

Materials

Base: Steel. Arms and lamp head: Aluminum. Joints: Anodized Aluminum. Stem: Aluminum.

Compliance

cULus, Dry location.

Light source

LED 2700K 10W
Lumen: 529
