ÉCHASSE BOWL

Warm, amber-coloured glass updates our popular Échasse Collection — a modern reinterpretation of glass vases and bowls inspired by laboratory test tubes. Looking to the past and to nature for colour inspiration – to the deep amber hue of traditional apothecary bottles and the golden-brown tones autumn leaves – the mouth-blown glass shapes are suspended on a bronzed brass stilt-like frame, creating a sense of lightness while ensuring stability. Elevated in every sense, the drop-shaped forms are as elegant when holding flowers on a desk, living room floor or nightstand as when left unfilled.
