

Post Wall Lamp

“The Post Wall Lamp came from the idea of exploring the flexibility of the magnetic joint, giving the user the freedom to position and dim the lamp’s light units according to individual needs. Designed with a sculptural expression, simple lines and a refined finish, the Post Wall Lamp represents a new perspective through its graphic character and forward-thinking functionality. Configure up to three lighting units on the Post Wall Lamp for an elegant ambient or task light.”

— Earnest Studio

Designed by	Earnest Studio
About the Designer	Earnest Studio was founded by American-born, Rotterdam-based designer Rachel Griffin. With a background in graphic design, she spent five years producing exhibitions and books before moving to the Netherlands to study at the Design Academy Eindhoven in 2007. She launched her own studio in 2012, with a focus on furniture, lighting and accessories.
Environment	Indoor
Country of Production	China
Preassembled	Yes.
Description	The Post Wall Lamp is an innovative lighting design with an archetypal appearance, graphic character and forward-thinking functionalities. Exploring the utmost flexibility of a magnetic joint, the user can position, dim and turn the lamp according to individual needs. Arrange the cord of the design in linear or playful formations on the wall, using its cable drop. Additional lighting units can be purchased as spare part and plugged into power hub to add to the configuration or any metal surface.
Material	Lighting unit in powder coated magnesium with silicone cord and opal diffuser. Wall mounting bracket in powder coated steel. Wall cable drops in ABS with magnet and repositionable adhesive tape. Power hub in wet painted ABS with PCV cord.
Cleaning & Care	Clean with a soft, dry cloth only. Always switch off the electricity supply before cleaning.
Cord Length	250 cm / 98.4"
Light Source Included	Yes.
Dimmable Function	Yes.
