

# Two-Layer Pendant Lamp

“The Two Layer Pendant combines two types of light—directional functional light for the table, and comfortable ambient light—in one lamp. The mouth-blown glass softly diffuses the light, highlighting the material's distinct quality and its small imperfections. The design translates classic Scandinavian principles of good lighting, often the result of several different light sources, capturing that quality in a single refined object.”

— Thomas Bentzen

<b>Designed by</b>	Thomas Bentzen
<b>About the Designer</b>	Thomas Bentzen, former Head of Design at Muuto, started his own studio in 2010. Bentzen’s designs are characterized by simplicity, rationality and functionality — always firmly rooted in the Danish design tradition, material knowledge, craftsmanship and rational industrial manufacturing processes. His work continues to receive international recognition at fairs and exhibitions all over the world.
<b>Environment</b>	Indoor
<b>Country of Production</b>	China
<b>Preassembled</b>	Yes.
<b>Description</b>	The Two-Layer Pendant brings new perspectives to the classic glass pendant with its rippled, mouth-blown glass, creating unique optical effects from different angles. This refined design combines clear and frosted glass with a punched steel mesh, providing ample, glare-free light. The blend of glossy and matte finishes creates a harmonious, sculptural form that acts as a self-illuminating sculpture. Perfect for dining settings or above counters, it adds visual intrigue and elegance to any space.
<b>Material</b>	Mouth-blown glass shade, deep drawn and punched metal mesh, spun suspension cap, steel pendant tube.  Injection molded diffuser and canopy.
<b>Cleaning &amp; Care</b>	Clean with a moist cloth. If necessary, use a little nonabrasive soap on the cloth.
<b>Cord Length</b>	350 cm / 137.8"
<b>Light Source Included</b>	Yes.
<b>Ceiling Cap Included</b>	Yes.
<b>Dimmable Function</b>	Yes.
<b>Spare Parts</b>	The bulb is also available for purchase as a spare part.
