

Bent Hansen 

UP THE WALL

Up The Wall is a flexible shelving system that invites the customer to co-create. The shelves are sold in packages with one short and one long shelf that together form an asymmetrical cross. Assemble more sets of shelves as you wish and create your own unique installation customized for your needs.

Load capacity 5 kg.

PRODUCT DESCRIPTION

Up The Wall is a system that moves beyond the firmly defined shapes and spaces that characterize traditional shelving systems. Up The Wall is completely flexible. You can customize your shelving, because the design makes it optional whether you want to mount the sets of shelves together or separately.

Although a number of assembling suggestions are included in each package, the users are encouraged to think outside the box, play with different compositions and create their own unique storage solution.

DESIGN

Bent Hansen Studio, 2016

A profound love of amazing materials has characterized Bent Hansen ever since the company started out as a small upholstery workshop back in 1948.

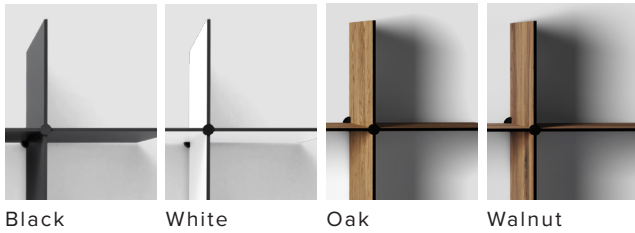

Over three generations, the family business has evolved into a modern design brand. Bent Hansen's inhouse design studio, Bent Hansen Studio, delivers honest design with a passion for solid craftsmanship, high-quality materials and unique comfort.

The Studio is led by third generation owner and creative director, Henrik Hvid Hansen.

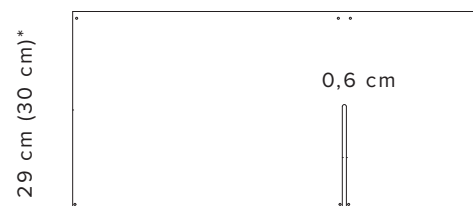

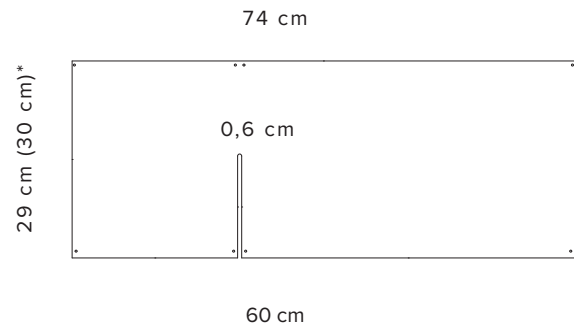

MATERIAL

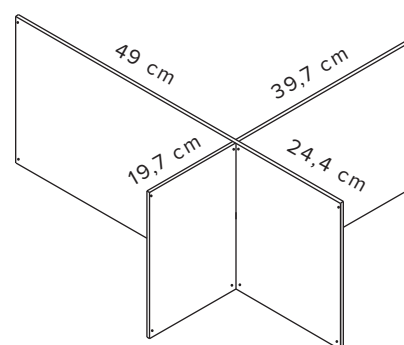

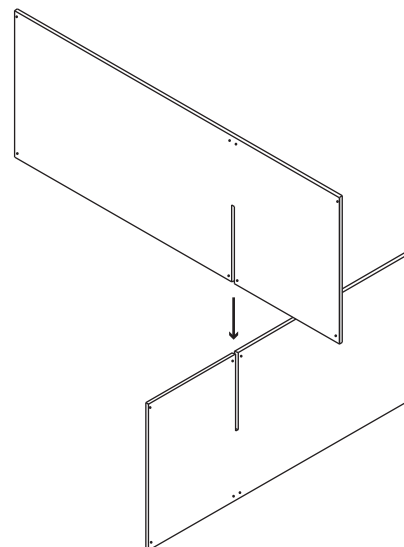

Compact laminate.

DIMENSIONS

*The shelf plate measures 29 cm. When the shelf is mounted on the wall the fittings increase the width to 30 cm.

WARRANTY

A 2-year warranty period starts as soon as you receive your goods. If the product turns out to be faulty (materials and workmanship) you are entitled to make a complaint. If your claim is approved Bent Hansen will repair, replace, reduce the price or give you a refund.

Wear, tear and damage to the product are not covered under this warranty. Claims from end users under the warranty must be submitted to the vendor from whom the product was purchased. All measurements are indicative.

Without undue delay you must inform Bent Hansen of discovering a fault, otherwise you may lose your right to the warranty.

ENVIRONMENTAL PRODUCT INFORMATION

MATERIALS

// Plates
Compact laminate

// Fittings
Coated PA plastic and metal screws.

PACKAGING

Up The Wall is shipped in cardboard. All packaging material can be recycled.

DISPOSAL & REUSE

Up The Wall can be disassembled into plates and fittings. The plastic, metal and compact laminate components can be recycled. Check local regulations for recycling in your area and whether there is potential for reuse.
